Kids must be present to receive meals. All meals must be eaten at the Middle School. This is a requirement of the federal government program that is funding the summer meal program.

Nutritious and Delicious Summer Meals helps children to maintain a healthy diet and helps their families to stretch their food dollars during the summer months.

Because children and teens will be receiving their meals and eating at the middle school we're offering the kid's favorite school meals that include daily hot entrees like walking taco, Bosco sticks, homemade pizza, cheeseburger, chicken tenders as well as sub sandwiches & fresh fruits and vegetables.

You can find the menus on our website, Facebook, or the MySchool Menus app! Paper copies available at the district office all summer.
