

## How to Set Up Your Parent Account

Student accounts have already been created by the North Canton City School District. You will need to establish a parent account for yourself in order to link to your child(ren).

1. In your browser, navigate to [www.schoology.com](http://www.schoology.com)
2. In the top right corner of the screen, click the Sign Up button.
3. Select **Parent** from the options.
4. Enter the Access Code for your child. (If more than one child, select one to begin the process with.)
5. Fill out the information for your new Schoology account. **Remember this is Your Parent Account so you will need to enter *your name, email address, and password.***
6. Click Register.

***You can receive your child's Schoology Parent Access Code from your child's teacher or the building secretary.***

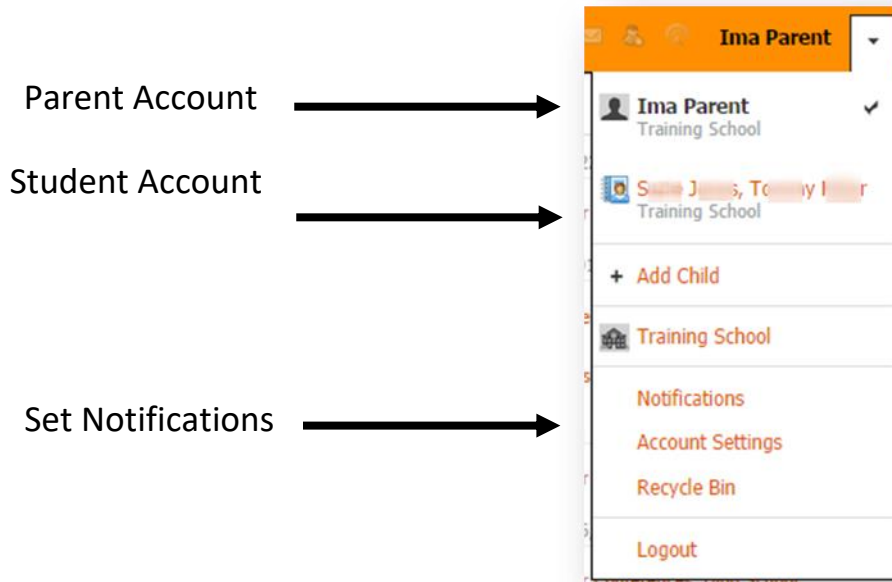

### To Add Additional Children

1. Click the black drop down arrow.
2. Select Add Child.
3. Enter the child's access code.

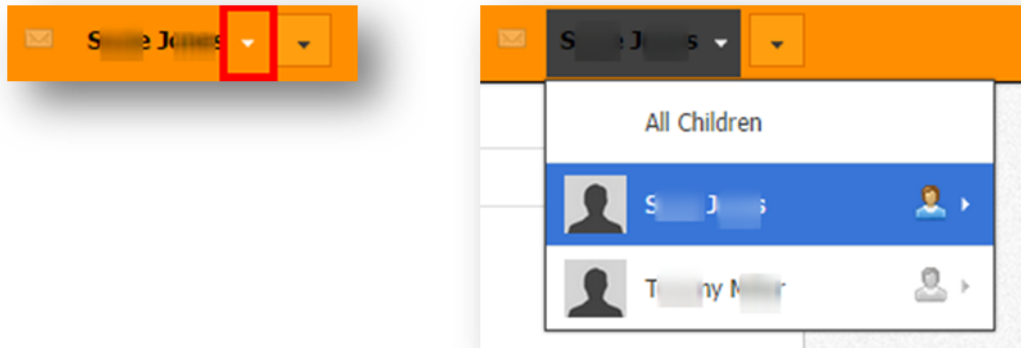

## How to Navigate Around Your New Account

Toggle between your parent account and your child(ren)'s accounts by clicking on the black drop down arrow next to your name in the top right corner of the screen.

Use the white drop down arrow to toggle between your children's accounts if you have more than one child in the system.
